Carpool Parking

University staff and students who are on the Anschutz Medical Campus may sign up for carpool parking as an alternative to regular permit parking. Two or more eligible university staff or students must enroll, and they must work or go to school on the Anschutz Medical Campus. At least two members of the carpool will be responsible for paying the fee. Failure to comply with carpool rules may result in the permit being revoked.

Special Events Parking & Transportation

The Parking and Transportation Services Division can provide parking for special events to be held on campus. Departments hosting these events must complete the event request through the link below. When that form is received the Coordinator will provide options for parking, if space is available. For more information, please visit the website (<https://www.cuanschutz.edu/offices/facilities-management/transportation-parking-maps/parking/special-events-parking/>).

Permit Parking

Monthly permit parking rates are based on a calendar month. With the exception of Rock Lot permits, accounts are pro-rated on a half calendar month basis only, depending on when the account is activated. For more information on current rates and other policies for students, staff, and faculty, please visit the website (<https://www.cuanschutz.edu/offices/facilities-management/transportation-parking-maps/parking/permit-parking/>).

Visitor Parking

On the CU Anschutz Medical Campus, there are daily cash customer parking lots for CU Anschutz Medical Campus Patients and Visitors: Parking for patients or visitors is located at any parking lot signed "Patient and Visitor Parking" and at parking meters. To view a map of the Visitor Lots at CU Anschutz, please click here (https://www.cuanschutz.edu/docs/librariesprovider260/transportation-parking-maps/amc-ucd-visitorparking.pdf?sfvrsn=4b0884b9_0). For additional information, including current daily rates, please visit the website (<https://www.cuanschutz.edu/offices/facilities-management/transportation-parking-maps/parking/visitor-parking/>).

Reciprocal Parking

University of Colorado faculty and staff who have a valid full time parking permit may take advantage of this reciprocal parking agreement. Valid parking permits include ones issued by UCB, UCCS, CU Denver and Auraria. This agreement applies only for travel related to the performance of official university business. You must display in your car window the official parking permit that was issued to you from your home campus. The CU reciprocal parking arrangement is valid for specific designated parking lots only and availability is based on "first-come, first-served."

For additional information about this policy, and to access respective reciprocal maps for other campuses, please visit the website (<https://www.cuanschutz.edu/offices/facilities-management/transportation-parking-maps/parking/reciprocal-parking/>).

Citations and Appeals

Any misuse or illegal alteration of parking permits or entry cards or repeated violations of any of these regulations may result in not only a citation, but also the revocation of parking privileges and/or possible criminal prosecution.

Any person receiving a university parking citation shall respond to the Parking and Transportation Services Division (https://www.cuanschutz.edu/docs/librariesprovider260/transportation-parking-maps/citationappealform.pdf?sfvrsn=4651b9b9_0) within 14 calendar days of the issue date to pay the fine or to initiate an appeal. Payment by mail is also acceptable. Non-payment of outstanding fines may result in the loss of parking privileges and/or the immobilization or towing of the vehicle.

Vehicles illegally parked in fire lanes, driveways, access roads or "no parking" areas may be towed when necessary to provide access for emergency vehicles, construction vehicles, or to provide normal traffic flow. Driving on sidewalks or service-drives is prohibited except by service or emergency vehicles.

For more information on this, please visit the website (<https://www.cuanschutz.edu/offices/facilities-management/transportation-parking-maps/parking/citations-appeals/>).
