How to Report a Crime

Under Colorado Law, "It is the duty of every person who has reasonable grounds to believe that a crime has been committed to report promptly the suspected crime to law enforcement authorities." C.R.S. 18-8-115

When on the CU Anschutz Medical Campus, crimes should be reported to the University Police Department. Crime reports can be made at any time. University Police services are available 24 hours a day, seven days a week. Priority is given to reports of incidents that threaten the life or safety of people, the security of property and the peace of the campus community. For immediate, direct access call 911 from any campus phone for emergencies. Cell phones and off-campus calls dial (303) 724-4444.

Call the University Police Department if:

- You witness someone committing a crime
- You need to report an old crime
- You see fire or smell smoke
- You think you observe a drunken driver
- You have knowledge of a chemical spill
- Someone is injured or ill
- You see anyone or anything suspicious

Blue Light Poles

There are emergency "Blue Light" call stations located in or near parking areas and on pedestrian pathways. These emergency call stations may be used to report crimes in progress, suspicious persons, medical emergencies, or to request personal safety assistance. Pressing the call button on the emergency call station initiates a direct call to the University Police Emergency Communications Center.

Activation of the phone line also activates the blue light strobe to help police locate you more quickly. These phones may be used in emergencies or to request other assistance. Many of these "Blue Light Poles" are also wi-fi hot spots. Students, faculty and staff are asked to take a moment when navigating the campus, to note the location of the "Blue Light" call stations.

Red Phones

"Red Phones" are on hallway walls, usually near restrooms and inside elevators within the buildings on the CU Anschutz Medical Campus. Dial 911 from these phones for emergency police response.

On the CU Anschutz Medical Campus, emergency call boxes are located in elevators in each building and at the entrances of most buildings.

Campus Phones

Campus phones may also be located in yellow boxes and in other locations. These phones (to include the red phones) may be used to make local calls.

The Clery Act

The Jean Clery Disclosure of Campus Security Policy was signed into law in 1990. The Federal law, commonly known as the "Clery Act" required institutions of higher learning to disclose certain timely and annual information about campus crime and security policies. All post-secondary public and private institutions participating in Federal student aid programs must adhere to these regulations.

The Clery Act was named after Jeanne Clery who was raped and murdered in her dorm room by a fellow student on April 5, 1986. Her parents championed the act in her memory. In 2013, the Clery Act was expanded to include requirements concerning sexual assault, domestic violence, dating violence and stalking. In compliance with this act, the University Police Department publishes an Annual Security Report.

The university of Colorado's Annual Security and Annual Fire Safety Report includes statistics for the previous three years for reported crimes that occurred on campus, in certain off-campus buildings owned or controlled by the University, and on public property within or immediately adjacent to and accessible from the campus.

The report also includes institutional policies concerning campus security, such as those concerning alcohol and drug use, crime prevention, the reporting of crimes, sexual assault, and other matters. This Annual Security Report may be viewed at <http://www.ucdenver.edu/about/departments/InstitutionalResearch/Pages/CleryCrimeReport.aspx>.
