CU Anschutz Off Campus Housing
CU Anschutz does not provide on-campus housing, but students can access the Off-Campus Housing Website (https://offcampushousing.ucdenver.edu/) with their university credentials to gain housing and roommate information in the Denver and Aurora metro areas. For those needing short-term arrangements, we suggest RotatingRoom (http://rotatingroom.com/).

Find Housing Near the CU Anschutz Campus
Housing and Roommate Services
Use our third party Off-Campus Housing Website (https://offcampushousing.ucdenver.edu/) to:

• Search rental listings
• Request or shop for roommates
• List a unit available to students

When looking for housing, we suggest a minimum of a four day weekend before you enroll to find a place to live.

For those not familiar with the U.S. housing and rental market, use the Guide to Living Off-Campus for International Students (https://www.ucdenver.edu/docs/librariesprovider254/student-resources/anschutz-off-campus_housing_guide.pdf?sfvrsn=5444dcb9_2).

Short-term Housing
For those looking for short-term living arrangements near CU Anschutz, we suggest RotatingRoom (http://www.rotatingroom.com/), a third-party website featuring sublets near medical schools and hospitals countrywide.

Landlord Resources
Landlords wishing to post a vacancy with the university can:

• Visit our Off-Campus Housing Website (https://offcampushousing.ucdenver.edu/)
• Select “Have a listing? Post it now”
• Complete the steps when prompted

Note: this is the only university-sponsored location where housing can be posted. Posting flyers on campus is not allowed.

Anschutz Health and Wellness Center
The Anschutz Health and Wellness Center at the Anschutz Medical Campus came to life thanks to the Anschutz Foundation and the University of Colorado. These two visionary organizations invested in a state-of-the-art facility, top researchers, scientists and a multi-disciplinary team to create the nation’s go-to source of information and programs on wellness. Top researchers work side-by-side with clinicians to develop and deliver wellness programs and work with community interventionists to take these programs beyond the walls of the Center into communities.
