The office of Veteran & Military Student Services (VMSS) is the
initial contact point for military-connected students attending CU
Anschutz Medical Campus. The main priority of the office is to verify
US Department of Veterans Affairs education benefit certification for
eligible students, ensuring that each student meets the VA requirements
for attendance, course load, content, as well as all other regulations
necessary to receive educational benefit payments.

Representing active-duty, reservist, National Guard, veteran and
dependents at CU Denver and CU Anschutz Medical Campus, the Office
of Veteran and Military Student Services (VMSS) supports students as
they transition from the military to the classroom and then on to the
workforce.
