

GRADUATE MEDICAL EDUCATION (GME) PROGRAM

Overview

The Graduate Medical Education (GME) Office is under the leadership & direction of Geoffrey Connors, MD, Associate Dean for GME and Associate Professor of Medicine, Division of Pulmonary and Critical Care, and Designated Institutional Official (DIO) for the Accreditation Council for Graduate Medical Education (ACGME). Carol M. Rumack, MD, Distinguished Professor of Radiology and Pediatrics, is the Associate DIO for ACGME.

The GME Office is responsible for the oversight of the ACGME accreditation & educational environment, and payroll & benefits for CUSOM GME Residency & Fellowship training programs.

Mission: CUSOM GME provides leadership, education, and support to its Residencies & Fellowships to ensure that the Residents/Fellows continue the standards of excellence in patient care, teaching, & research that have been established by CUSOM GME training programs.

Vision: CUSOM GME will achieve the highest level of ACGME accreditation for the CUSOM institution, and Residency & Fellowship training programs.

Values:

- Accountability & Transparency
- Equity & Fairness
- Diversity & Inclusion
- Excellence & Innovation
- Stewardship & Service
- Leadership & Collaboration
- Protecting & Promoting Resident/Fellows Wellbeing

The GME Office implements policies of the Graduate Medical Education Committee (GMEC) of the School of Medicine. The ACGME charges the GMEC with responsibility for monitoring & advising on all aspects of Residency education including compliance with ACGME work hours, patient safety & quality improvement requirements, and in maintaining a strong learning environment.

The GMEC is composed of Program Directors, GME Faculty Liaisons from the affiliated teaching hospitals & Officers of the Housestaff Association. GMEC reports to the Dean of the School of Medicine through the Associate Dean for GME & Senior Associate Dean for Education. The GME website is: <https://medschool.cuanschutz.edu/graduate-medical-education/>.

Application Process

- To apply for a CUSOM GME Residency or Fellowship, applicants must meet the minimum selection criteria described in the GME Eligibility and Selection Policy, located here (https://medschool.cuanschutz.edu/docs/librariesprovider101/gme-document-librar/gme-policies-procedures/eligibilityandselection.pdf?sfvrsn=341d4cb9_4).
- Recruitment is coordinated by each training program. Inquiries & details about the process should be directed to the specific

residency or fellowship. For the list of CUSOM GME Residencies and Fellowships, refer to the GME Program Directory (<https://medschool.cuanschutz.edu/graduate-medical-education/programs/>).

- Many CUSOM GME Residencies & Fellowships participate in the National Residency Matching Program (<http://www.nrmp.org/>), Electronic Residency Application System (<http://www.aamc.org/students/eras/start.htm>) and/or the San Francisco Central Application System (<https://www.sfmarch.org/>).
- All residents in GMEC approved programs are required to successfully complete the USMLE Step 1 or COMLEX Step 1 examinations, and USMLE Step 2 (CK) or COMLEX Level 2 (CE and PE) examinations, as evidenced by obtaining a passing grade for that examination, prior to starting a residency. Original transcripts must be provided 6 weeks prior to the incoming Resident's start date.
- All residents in GMEC approved programs are required to successfully complete the USMLE Step 3 examination or COMLEX Level 3 examination, as evidenced by obtaining a passing grade for that examination, prior to the mid-point of the second post-graduate year (PGY2).
- All fellows entering GMEC approved programs must have successfully completed the USMLE Step 3 examination or COMLEX Level 3 examination or the Canadian LMCC examination, as evidenced by obtaining a passing grade for that examination prior to starting a fellowship.
- **International Medical Graduates**, must meet the following criteria:
 - Have a valid **ECFMG Certificate**.
 - Residents in our program must be a U. S. citizen, lawful permanent resident, refugee, asylee, or possess the appropriate documentation to allow residents to legally train at the University of Colorado Denver School of Medicine.
 - Minimum **selection criteria**.
 - Any other criteria as determined by the program.
