

PHARMACY FELLOWSHIPS

Highly specialized pharmacy research that makes a difference: Our fellowship helps pharmacy professionals reach new levels of expertise in neurology. By training under top experts, our fellows leave our program ready to make advances in the field.

Join us for a rare experience. Our Clinical Neurology Research Fellowship is the only fellowship in the United States that specifically focuses on research and clinical practice in the field of neurology.

Please visit the Clinical Neurology Research Fellowship website (<https://pharmacy.cuanschutz.edu/academics/fellowships/clinical-neurology-research/>) for more information.
