

WELCOME TO CU ANSCHUTZ

A Message From the Chancellor

It is with great pride that I welcome you to the University of Colorado Anschutz Medical Campus. As the largest academic health sciences center in the Rocky Mountain region and a world-class medical destination at the forefront of innovation, we offer countless opportunities for future leaders in health and medicine.

Our dynamic campus offers the programs and resources to help you fulfill your academic goals, and to prepare you to thrive - and lead - in your chosen field.

Ample course offerings: With over 40 degree programs offered through six schools and colleges, and faculty who are among the best in their fields, here you will find an enriching learning environment and everything you need to make the most of your educational experience.

Interdisciplinary collaboration: We are always looking to remove barriers and promote collaboration in the health sciences. Our academic programs are designed with a real-world interdisciplinary focus and will have you learning alongside peers in a variety of career paths.

Hospital partners: Our campus is also home to two nationally recognized hospital partners - UCHealth University of Colorado Hospital and Children's Hospital Colorado - which not only provide some of the finest patient care in the country, but also offer hands-on training opportunities to our students.

And with more than 60 centers and institutes, robust industry connections and diverse research programs, you are bound to find tremendous opportunities for learning and discovery beyond the classroom and the laboratory.

Whatever course of study you choose at CU Anschutz, you become part of a vibrant community of leaders and innovators dedicated to careers of health, healing and hope.

We are excited to welcome you to our campus community, and hope your time here will be nothing short of transformational.

Don Elliman
Chancellor
