

NONDEGREE-SEEKING STUDENTS

A student who wishes to take graduate courses, but is not interested in earning a specific advanced degree, may apply as a nondegree student at: <https://graduateschool.ucdenver.edu/admissions/prospective-students> (<https://graduateschool.ucdenver.edu/admissions/prospective-students/>)

Nondegree students will be allowed to register only on the campus to which they have been admitted.

Nondegree students who later desire to pursue a graduate degree program at this university are encouraged to submit the complete online graduate application and supporting credentials as soon as possible. Credits earned as a nondegree student at the University of Colorado may, at the discretion of the department to which the student is admitted, be transferred into a degree program. The maximum amount of credits allowed for transfer is 12 semester hours for the master's degree, 9 hours for the EdD program, and 30 hours for PhD degrees. These limit totals include both nondegree CU credits and those transferred from other institutions.
