### **Notes:**

Enrollment verification of full-time/part-time attendance can be certified beginning the first day of class.

Credits used for calculating full-time/part-time enrollment status do not include inter-institutional credits, nor do they include credits from another CU campus, unless the student is enrolled through the Intercampus Enrollment (<http://catalog.ucdenver.edu/cu-denver/graduate/records-registration/registration/special-registrations/#intercampusenrollmenttext>) program.

Students receiving veteran benefits should contact the Veteran Student Services manager for the definition of full-time status for summer sessions. Contact information: 303-315-7300 or [VMSS@ucdenver.edu](mailto:VMSS@ucdenver.edu).

Individual exceptions to the minimum graduate course-load levels are considered for financial aid purposes by the financial aid committee. Students must file a written appeal with the Office of Financial Aid (<http://catalog.ucdenver.edu/cu-denver/undergraduate/student-finances/>).

## Course Load/Restrictions

In most cases, students wishing to take more than 18 semester hours (12 in the summer session) must have the overload approved by an authority in their Academic Advising office of their college or school. Students should consult with their Academic Advisor for specific guidelines as to course-load restrictions.
