

ARCHITECTURE, MARCH

Introduction

The Master of Architecture is offered to students who have completed a pre-professional architecture degree, as well as to students who have completed an unrelated undergraduate or graduate degree. Students holding a pre-professional degree will be evaluated individually for advanced standing in the MArch program, commensurate with their previous educational experiences.

Our program prepares students for entry into the architecture profession and licensure. Our mission is to lead in the discovery, communication and application of knowledge in the discipline of architecture by integrating theory and practice. In this collaborative educational model, environmental, economic, social, cultural, aesthetic and ethical concerns are fundamental.

The curriculum responds to and aligns with the evolving nature of professional practice including collaborative work environments, critical thinkers, problem-solving team players, builders and leaders with excellent communication skills. Recognizing that the practice of architecture is global, we provide students with international perspectives and experiences giving them a competitive edge when they enter the profession.

Students whose undergraduate degree was not a design related degree will take a minimum of three years to complete the Master of Architecture. Students who have an undergraduate design related degree may receive credit for courses previously taken and can typically complete the program in two years depending on advanced standing given. The program provides the skills and bodies of knowledge nationally specified for graduate study in architecture and is fully accredited by the National Architectural Accrediting Board (NAAB).

Prerequisites

Students must complete the prerequisites of college-level trigonometry and physics before enrolling in the MArch program or must complete ARCH 5000 Math and Physics for Architects. This course is offered during the summer on a pass/fail basis and meets the prerequisite requirements. This class does not count toward the number of credits required for the MArch degree.

The architecture skills workshop is highly recommended for students who do not have a background in architectural drawing, model making or digital graphics work. This class is offered each year before the beginning of the fall semester.

Students are expected to have achieved a basic level of computer literacy and should be familiar with PC or Mac operating systems.

Program Tracks

There are two curriculum tracks leading to the MArch degree.

Four Studio Track (p. 1) - minimum 63Semester Hours

This course of study allows those students with a pre-professional degree to pursue a professional Master of Architecture degree in a minimum of two years (the total duration of the program will vary). The curriculum follows a prescribed sequence of four design studios combined with core courses and electives. Applicants must hold a Bachelor of Science in

Architecture, Bachelor of Art in Architecture or Bachelor of Environmental Design to be considered for this track.

Six Studio Track (p. 2) - 105 Semester Hours

This course of study allows students without a pre-professional degree to pursue a professional Master of Architecture degree in a minimum of three years (the total duration of the program will vary). The curriculum follows a prescribed course of six design studios, fundamental core courses and electives. Applicants must hold a baccalaureate degree from an accredited university in any field.

All degrees awarded by universities outside the United States will be reviewed on a case-by-case basis and the admissions committee will determine the appropriate track.

Four Studio Track

Curriculum Overview

The Four Studio Track curriculum for the Master of Architecture (MArch) program is divided into six major components, totaling a minimum of 63 semester hours in residence at the University of Colorado Denver:

Code	Title	Hours
Design Studios and Seminars		27
ARCH 5130	Design Studio III (Fall)	
ARCH 5140	Design Studio IV (Spring)	
ARCH 6150	Design Studio V (Fall)	
ARCH 6170	Design Studio VI (Spring)	
ARCH 6171	Integration Seminar (Spring)	
Representational Studies ¹		3
Historical/Cultural Studies ¹		3
Technological Studies ¹		3
Professional Studies		12
ARCH 5410	Professional Practice (Fall)	
ARCH 5420	BIM: Principles & Practices (Fall or Spring)	
ARCH 5430	Social Context of Design (Fall)	
ARCH 5450	Sustainable Design Practices (Spring)	
Architecture Electives		9
Open Electives		6
Total Hours		63

¹ Required Elective.

Electives

A wide array of electives in these areas allows students to tailor their graduate studies to their own interests. Students may choose to take elective courses in the summer session. It is highly suggested that students use the summers to study abroad or participate in a professional internship.

In order for a student to complete the course of study within the 60 semester hours (two years of study) a student must have completed the following courses with a grade of B or better:

- 4 design studios (six credits each)
- 2-3 course sequence covering the history of architecture
- 1 course introduction to the theory of architecture
- 2 course sequence on sustainable environmental control systems

- 2 course sequence on structures addressing statics, material mechanics, structural analysis, and design of simple structural elements and systems
- 2 course sequence on building materials and construction
- 1 course on architectural visualization and representation

Above courses not completed by the time the student enrolls in the program will be added onto the 60 semester hours and will need to be completed at the University of Colorado Denver prior to graduation. An official review of the student's previous course work will be conducted in the spring following admissions and will be sent to the student upon the receipt of the student's intent to attend.

Six Studio Track

Curriculum Overview

The curriculum for the Master of Architecture (MArch) program is divided into six major areas of study, totaling 105 semester hours:

Code	Title	Hours
Design Studios and Seminars		39
ARCH 5110	Design Studio I (Fall)	
ARCH 5120	Design Studio II (Spring)	
ARCH 5130	Design Studio III (Fall)	
ARCH 5140	Design Studio IV (Spring)	
ARCH 6150	Design Studio V (Fall)	
ARCH 6170	Design Studio VI (Spring)	
ARCH 6171	Integration Seminar (Spring)	
Representational Studies ¹		6
ARCH 5510	Architectural Graphics (Fall)	
Historical/Cultural Studies ¹		12
ARCH 5210	Introduction to Architecture (Fall)	
ARCH 5220	History and Theory Architecture I (Spring)	
ARCH 5230	History and Theory Architecture II (Fall)	
Technological Studies ¹		21
ARCH 5310	Building Construction I (Fall)	
ARCH 5320	Building Construction II (Spring)	
ARCH 5330	Sustainable Systems I (Spring)	
ARCH 5340	Sustainable Systems II (Fall)	
ARCH 5350	Structures I (Fall)	
ARCH 5360	Structures II (Spring)	
Professional Studies		12
ARCH 5410	Professional Practice (Fall)	
ARCH 5420	BIM: Principles & Practices (Fall or Spring)	
ARCH 5430	Social Context of Design (Fall)	
ARCH 5450	Sustainable Design Practices (Spring)	
Architecture Electives		9
Open Electives		6
Total Hours		105

¹ Required Electives

Electives

A wide array of electives in these areas allows students to tailor their graduate studies to their own interests. Advanced standing in core course work can be given for prior architectural studies. Students may choose to take elective courses in the summer session. It is highly

suggested that students use the summers to study abroad or participate in a professional internship.

Four-Studio Course Sequence

This schedule shows the recommended sequence of courses. To modify this schedule, students should consult their CAP academic advisor.

Course	Title	Hours
First Year		
Fall		
ARCH 5130	Design Studio III	6
Professional Studies or Elective ¹		3
Professional Studies or Elective ¹		3
Professional Studies or Elective ¹		3
Hours		15
Spring		
ARCH 5140	Design Studio IV	6
Professional Studies or Elective ¹		3
Professional Studies or Elective ¹		3
Professional Studies or Elective ¹		3
Professional Studies or Elective ²		3
Hours		18
Second Year		
Fall		
ARCH 6150	Design Studio V	6
Professional Studies or Elective ¹		3
Professional Studies or Elective ¹		3
Professional Studies or Elective ¹		3
Hours		15
Spring		
ARCH 6170	Design Studio VI	6
ARCH 6171	Integration Seminar	3
Professional Studies or Elective ¹		3
Professional Studies or Elective ¹		3
Hours		15
Total Hours		63

¹ Students may choose from course offerings. Individual plans will vary depending on transfer credit awarded. For additional information, please see your academic advisor.

² Summer courses are optional in the Four Studio Track.

Six-Studio Course Sequence

This schedule shows the recommended sequence of courses. To modify this schedule, students should consult their CAP academic advisor.

Course	Title	Hours
