LEADERSHIP: P-12 LIBRARY PROGRAMS CERTIFICATE

Introduction

Graduate Certificate

Equips teacher librarians to lead the way in digital, media, and information literacy development in their schools and create an inclusive, future-ready learning culture for building essential student skills.

Program Requirements

If you are seeking a K12 Teacher Librarian endorsement now or in the future, you will need to complete SCHL 5913 as your capstone course. Contact your Faculty Advisor if you have a question about which capstone you should be completing.
