Cumulative Portfolio

The MA portfolio counts as the comprehensive exam for the master's degree. The portfolio is an accumulation of the performance based assessments completed during program courses and reflects on the student's development over the course of the degree program. The portfolio is due approximately 6 weeks before graduation.

Program Requirements and Courses

To complete the Literacy Education program and earn a master's degree and/or endorsement, students must complete the appropriate course work as outlined. All courses require a grade of B- or better to count to the MA or endorsement and a 3.0 minimum GPA is required for graduation.

Course Scheduling

The program is fully online with collaboration using online platforms. During the fall and spring semester, the courses are offered in 16-week sessions. In the summer semester, most courses include eight-week sessions.

Planning

For practicing full-time teachers, we recommend taking one course each fall and spring semester, and up to two courses each summer. Plan carefully because some courses are only offered once a year.

Active Status

Students must complete their programs within seven years, maintaining a GPA of 3.0. Students typically take four courses each calendar year. Failure to enroll over three contiguous semesters will result in a requirement to submit readmission materials.
