The Pathways Bachelor of Arts in Criminal Justice (BACJ)/Master of Public Administration (MPA) degree allows high-performing students to earn both degrees in an accelerated time frame. Both the BACJ and the MPA degrees can be completed fully online, providing students with the flexibility to schedule courses around family and work demands while engaging criminal justice opportunities in their own communities.

The BACJ/MPA degree program offered by the School of Public Affairs allows high-performing students to count 12 credit hours towards both the BACJ and the MPA degrees. Eligible students will have completed at least 75 credits with a minimum 3.5 grade point average (GPA) in the BACJ major and a 3.0 overall GPA, completed the undergraduate Core Curriculum, and met all other requirements listed below.

Students are eligible to receive the BACJ degree once they have successfully completed 120 semester hours and all CU Denver undergraduate degree requirements. The MPA will be conferred once the student has completed all degree requirements.
