

NONPROFIT MANAGEMENT GRADUATE CERTIFICATE

Introduction

The Graduate Certificate in Nonprofit Management prepares students to become innovative and critical thinkers in the areas of nonprofit organizational management and public policy, with a unique approach that bridges theoretical knowledge with real-world experience. As students prepare for their careers or advancement in their current positions, they gain insight into the interdependence between the nonprofit, public, and for-profit sectors. Graduates are able to span the boundaries of these three sectors to assess community needs, navigate the realm of public policy, and strategically and effectively manage organizations that ultimately benefit society.

Prospective students who wish to pursue this certificate must apply as non-degree applicants. Learn more (<https://publicaffairs.ucdenver.edu/prospective-and-admitted-students/admission/>) on the School of Public Affairs admission web page.
