

ADVISING

Academic advising at CU Denver is as diverse as the students that learn here. Each system is designed to engage students' academic choices, interests, and exploration. There is no main advising center. Advising for undergraduate and graduate students is primarily organized within the seven academic CU Denver schools and colleges. The Center for Undergraduate Exploration and Advising (CUE&A) is an additional resource for undergraduate students.

For additional information about advising, please visit our website (<https://www.ucdenver.edu/student/advising/undergraduate/>).
