Final Grades

Final grades are available approximately within one week after the end of the semester and can be accessed by logging into the UCDAccess portal or by ordering an official transcript. If a final grade is not reflected by the posted deadline (https://www.ucdenver.edu/student/registration-planning/academic-calendars/), contact the Instructor of the course.

By default, all of our instructors award letter or incomplete grades. Click here (https://www.ucdenver.edu/registrar/student-resources/grades/) for more information regarding Grades at CU Denver.
