

GRADE FORGIVENESS

If you would like to request Grade Forgiveness for a course, please complete the Grade Forgiveness Form (<https://www.ucdenver.edu/registrar/student-resources/forms/>). You must be fully enrolled into the class (waitlisted courses are not eligible) before completing this form. Submit this form by the Grade Forgiveness Deadline for the semester in which the course is being offered per the Academic Calendar (<https://www.ucdenver.edu/student/registration-planning/academic-calendars/>). Submission of this form does not automatically grant Grade Forgiveness. Students should check their University email account for communications from the Registrar's Office regarding the status of their request.

Students may also cancel their Grade Forgiveness request by this same deadline.
