

DSST/ DANTES EXAM CREDIT

Beginning January 2019, incoming students may earn university credit by examination in some subject areas in which they have demonstrated college-level proficiency. Interested students may take approved examinations through the DSST/DANTES testing as a part of their Military Service.

Acceptable DSST examinations and credit awards are outlined in the following chart. Original, official DSST score reports must be submitted to the Office of Admissions for credit award consideration.

DSST Exams - gtPathways

Credit award and course equivalency information listed in this table applies only to degree programs completed entirely at the Denver Campus. Health programs at the Anschutz Medical Campus have different credit award and prerequisite policies; visit www.ucdenver.edu/academics (<https://www.ucdenver.edu/academics/>) and/or contact the program office directly for additional information.

Beginning Spring 2019, some exams taken January 1, 2019 and later will receive gtPathways designation.

For exams taken in future catalog years, consult those academic catalogs for exam equivalency information.
