

JOINT SERVICES TRANSCRIPT CREDIT

Beginning Spring 2019, select courses and occupations from the Joint Services Transcript qualify for the Colorado gtPathways program. The courses and occupations in this chart can apply to CU Denver's Undergraduate Core Curriculum. An official copy of the Joint Service Transcript is required for evaluation.

Joint Service Transcript Military Occupations Evaluation

This chart represents academic credit that may be awarded to new freshmen or to new transfer students seeking initial academic credit through the evaluation of their Joint Service Military transcript. To receive academic credit, students must present official Joint Service Transcript to the University of Colorado Denver.

This chart represents academic credit for students admitted to the University of Colorado Denver beginning Spring 2019.

Credit awarded and course equivalency information in this table applies only to degree programs at the University of Colorado Denver.

Academic credit is awarded as University of Colorado Denver general equivalent courses. The specific courses/occupations designate how credit will be applied to the Undergraduate Core Curriculum. Only one course per core category will be applied to the core curriculum requirements. For additional applicability please contact your academic advisor or major department.

Additional Military Experience may be awarded by the Veteran & Military Student Services office. Please see the chart on this page for more information about how credit is awarded for Military Experience.
