Notes

- Students should note that all finance, risk, and accounting courses are not offered every semester. Students should plan to take the ACCT 2200 Financial Accounting and Financial Statement Analysis and ACCT 2220 Managerial Accounting and Professional Issues courses as soon as possible to avoid future problems in their schedules, since these are prerequisites for all courses in the specialization.
- Students also have the opportunity to continue their education with an MS in Accounting. The Accounting 4+1 program allows students to potentially complete both the BS and MS degrees in as little as five years through substituting two graduate courses for two undergraduate courses. The graduate courses count towards both the BS and MS degrees.
- If you are considering this 4+1 program, contact your advisor immediately so that you can appropriately plan your coursework. Email: undergrad.advising@ucdenver.edu
- If you are considering pursuing a CPA, talk to the accounting department about the best courses to take. Email: accounting.cpa@ucdenver.edu
