

RISK MANAGEMENT AND INSURANCE STUDIES UNDERGRADUATE CERTIFICATE

Introduction

Please click here (<https://business.ucdenver.edu/academics/professional-development/credit-certificates/risk-management-and-insurance-undergraduate/>) to see additional information about the Undergraduate Certificate in Risk Management and Insurance (RMI) Studies on the Business School website.

Broaden your knowledge of Risk Management and Insurance (RMI) by completing a one-year Certificate in RMI Studies from the University of Colorado Denver. By completing three semester-long RMI courses, all available online, and meeting prior finance course requirements, you will be on your way to enhancing your knowledge and providing your employer with RMI awareness and professional skills. Previous coursework and some professional designations may waive the prerequisites.

The Risk Management and Insurance industry is actively seeking young talent and the RMI program has 100% job placement of our graduates at competitive salaries. 50% of this industry is retiring in the next 5 to 10 years, leaving a huge need for new talent. The pervasive reality of risk affects all individuals and organizations. Specialized knowledge and understanding of risk increase students' marketability and potential for success across a wide range of industries.

This certificate is for students currently pursuing a degree in any undergraduate discipline who want to expand their business knowledge of risk management to give themselves a leg up when they enter the workforce. Degree-seeking students are eligible to apply for RMI scholarships each semester they are enrolled in a certificate course. However, this certificate can also be taken by students with only a high school diploma or those who have completed their degree.

Students can pursue this undergraduate certificate, even if they are not CU Denver students. Credit earned as a part of the certificate **does** count towards your undergraduate degree, should you choose to pursue a degree at CU Denver.

Potential Career Opportunities in Risk Management:

• Underwriter • Broker • Risk Manager • Claims Adjuster • Risk Analyst • Account Executive • Loss Control • Agent

Add an RMI Certificate to your degree in:

• Business • Economics • Math • Actuarial Science • Criminal Justice • Information Technology • Engineering • Other Majors

See the Certificate in Risk Management (<https://business.ucdenver.edu/academics/professional-development/credit-certificates/undergraduate-certificate-risk-management-and/>) page for more information.

Program Delivery

- This certificate can be completed fully online or a combination of online and on-campus classes.

Declaring This Certificate

- See the Undergraduate Certificate in Risk Management and Insurance Studies (<https://business.ucdenver.edu/academics/professional-development/credit-certificates/risk-management-and-insurance-undergraduate/>) for more information. CU Denver students can contact their advisor to add this certificate to their degree. Non-degree students may contact lori.genuchi@ucdenver.edu for assistance enrolling or for more information.

General Requirements

- Click [here](#) for information about Academic Policies
