FINANCE MINOR

Introduction

Please click here (http://catalog.ucdenver.edu/cu-denver/undergraduate/ schools-colleges-departments/business-school/) to see Business School information.

The savvy decision-makings in many fields must take into consideration the importance of financial outcomes and constraints. A Finance Minor addresses this consideration by complementing it with a degree such as mathematics, engineering, humanities, economics, among various other degrees. With this minor, you will expand upon your specialized knowledge from your major and give yourself a competitive edge in the job market.

Students wishing to complete the Finance minor need to complete the course work described below.

Program Delivery

· This is an on-campus program.

Declaring This Minor

· To declare the Finance minor, students must have a 3.0 GPA, either cumulative or from their last 24 completed semester hours.

General Requirements

Students must satisfy all requirements as outlined below and by the department offering the minor.

· Click here for information about Academic Policies

Program Requirements

- 1. Students must maintain or exceed a 2.0 GPA to graduate with the minor.
- 2. A student must take 12 of the 15 hours of required business courses in the minor while in residence at the University of Colorado Denver. If a student has already taken the equivalent of one or more of these courses at another university, other higher-level business courses may be substituted with the approval of the Business School.
- 3. Students must have declared the Finance minor to register for any of the upper-division FNCE courses or petition separately to take each of these courses.
