

FINANCIAL MANAGEMENT, BS IN BUSINESS ADMINISTRATION

Introduction

Please click here (<http://catalog.ucdenver.edu/cu-denver/undergraduate/schools-colleges-departments/business-school/>) to see Business School information.

The financial management major provides students with the skills needed to succeed in financial management careers. The business community has affirmed that students need skills in both the accounting and finance areas. The financial management specialty incorporates knowledge of corporate financial management, financial institutions and markets, investments, financial accounting and managerial accounting, accounting information systems, and information technology. Career opportunities include corporate financial management, finance/accounting positions with financial institutions, and accounting positions that are not CPA-track. The major provides a solid finance and accounting background for other business positions as well.

Program Delivery

- This is an on-campus program.
