MANAGEMENT, BS IN BUSINESS ADMINISTRATION

Introduction
Please click (http://catalog.ucdenver.edu/cu-denver/undergraduate/schools-colleges-departments/business-school/) to see Business School information.

Management is an extremely versatile emphasis that prepares students to pursue career opportunities across a wide variety of industries and types of businesses, including corporate, public sector, and non-profit organizations. Through the completion of this Business Administration degree, students acquire the necessary knowledge and skills to build careers in leadership positions. Examples of typical management career paths are consulting, personnel recruiting and coaching, human resources, sales/client development, and any position that involves managing and leading people to achieve organizational goals.

Program Delivery
• This major is available both on-campus and fully online.
