## Introduction

Please click here (<http://catalog.ucdenver.edu/cu-denver/undergraduate/schools-colleges-departments/college-arts-media/film-television/>) to see general Film & Television information.

The Department of Film & Television offers a Bachelor of Fine Arts (BFA) in Film and Television. This BFA emphasis provides intensive and practical training that requires successful completion of numerous film/TV projects, varying in styles from fiction to documentary. The emphasis is designed so that students will progress through the semesters as a cohort group. Undergraduates will not only work on their own projects but also will assist on numerous group projects. Students will graduate with both a theoretical and historical perspective, as well as a hands-on experience in film and television production. This program prepares students to begin their careers at entry-level positions in the film or television industry, start their personal creative work, or continue their studies in a graduate program. Consult the College of Arts & Media at [CAM@ucdenver.edu](mailto:CAM@ucdenver.edu) for more information.

## Program Delivery
