COMPUTER SCIENCE MINOR

Introduction

Please click here (http://catalog.ucdenver.edu/cu-denver/undergraduate/schools-colleges-departments/college-engineering-design-computing/computer-science-engineering/) to see Computer Science department information.

The Department of Computer Science and Engineering offers a minor in computer science. The requirements for the minor are listed on the Degree Requirements (p. 1) tab.

Program Delivery

- This is an on-campus program.

Declaring This Minor

- Click here (http://catalog.ucdenver.edu/cu-denver/undergraduate/schools-colleges-departments/college-engineering-design-computing/#policiestext) to go to information about declaring a major/minor.
- To declare the computer science minor, students must complete and send a Minor Declaration Form to the engineering dean's office. Once declared, students are required to meet with a computer science advisor to complete the computer science minor coursework form. The Computer Science Minor declaration must be completed to register for 3000-level courses.
- For more information or an advising appointment, contact the Department of Computer Science and Engineering at 303-315-1408 or visit the Lawrence Street Center (1380 Lawrence Street), suite 800.

General Requirements

Students must satisfy all requirements as outlined below and by the department offering the minor.

- Click here (http://catalog.ucdenver.edu/cu-denver/undergraduate/academic-policies-procedures/) for information about Academic Policies

Program Requirements

1. Any undergraduate student currently enrolled in a CU Denver degree program with a major other than computer science or cybersecurity may earn a minor in computer science.
2. A Computer Science Minor plan of study must be completed and approved by a computer science advisor.
3. A student must fulfill all prerequisites for the courses they select. See the catalog course descriptions for prerequisite information for each course.
4. All courses taken for the minor must have a CSCI prefix and be taught by a computer science faculty member.
5. All courses taken for the minor must be completed with a C- or better with a 2.0 GPA average for all eight courses.

Code	Title	Hours
MATH 1401	Calculus I	4
CSCI 1410	Fundamentals of Computing	3
CSCI 1411	Fundamentals of Computing Laboratory	1
CSCI 2312	Object Oriented Programming	3
CSCI 2421	Data Structures and Program Design	3
Four additional CSCI courses [1]		12
Total Hours		**26**

[1] One of which may be at the 2000 level. All others must be at the 3000-level or higher.
