

# FRENCH MINOR

## Introduction

Please click here (<http://catalog.ucdenver.edu/cu-denver/undergraduate/schools-colleges-departments/college-liberal-arts-sciences/modern-languages/>) to see Modern Languages department information.

The French program offers courses in advanced language, linguistics, literature, civilization, culture and business, all taught exclusively in French. Students benefit from a state-of-the-art language lab with Internet access and multimedia software programs, as well as technologically "smart" classrooms.

French minors are strongly encouraged to participate in one of UC Denver's Study Abroad Programs. Please see a faculty member in French for information about opportunities to include study abroad as part of your minor.

These degree requirements are subject to periodic revision by the academic department, and the College of Liberal Arts and Sciences reserves the right to make exceptions and substitutions as judged necessary in individual cases. Therefore, the College strongly urges students to consult regularly with their major advisor and CLAS advisor to confirm the best plans of study before finalizing them.
