The Department of Modern Languages offers an undergraduate Certificate in Spanish for International Business for students seeking an academic credential showing that they are prepared to meet the challenges of doing business in the Spanish-speaking world.

This certificate is available to all students across the University, as well as non-degree-seeking business professionals seeking to increase their skill set and value in the international market.

Program Delivery

- This certificate can be fulfilled entirely online, or through a combination of online and on-campus courses

Declaring This Certificate

- You must complete the **Application for the Certificate** (https://clas.ucdenver.edu/modLang/sites/default/files/attached-files/application_for_certificate_in_spanish_int_business3.pdf) (available on the Department webpage). This requires an unofficial transcript from CU Denver showing that you are a current undergraduate student, or a copy of former transcripts indicating an undergraduate degree has been previously granted. This must be completed **prior** to completing the coursework (and applying for graduation, if you are a degree-seeking student) for the certificate.
- To begin coursework, non-degree-seeking students will need to apply to the University as a non-degree seeking student. Once accepted, you will be able to enroll in all of the appropriate classes. The following is a link to that information: <https://www.ucdenver.edu/admissions/non-degree-admissions> (<https://www.ucdenver.edu/admissions/non-degree-admissions/>).
- For questions about the Spanish for the Health Professions certificate program contact Dr. Gabriela DeRobles (gabriela.derobles@ucdenver.edu).

These program requirements are subject to periodic revision by the academic department, and the College of Liberal Arts and Sciences reserves the right to make exceptions and substitutions as judged necessary in individual cases. Therefore, the College strongly urges students to consult regularly with their Spanish for International Business advisor to confirm the best plans of study before finalizing them.
