The Culturally and Linguistically Diverse Education (CLDE) Minor is designed to provide students with an understanding of culturally and linguistically diverse students, families and communities, particularly in their relationship to public institutions. This minor is a powerful addition to majors in sociology, psychology, ethnic studies, gender studies, public health, communication, the humanities, and anyone in the field of education, as it provides professionals with a strong understanding of how to serve culturally and linguistically diverse students in school and community environments.
