PUBLIC ADMINISTRATION MINOR

Introduction

Please click [here](http://catalog.ucdenver.edu/cu-denver/undergraduate/schools-colleges-departments/school-public-affairs/) to see School of Public Affairs information.

The minor in Public Administration, offered by the School of Public Affairs, will provide needed competencies to a generation looking for meaningful work consistent with their values. Public Administration courses provide students with the skills and content knowledge to work in public, private, and nonprofit sectors and the emerging fourth sector that blends social concerns with business approaches. This minor is open to students from any major, and may be particularly useful for students majoring in areas (such as environmental studies, education and human development, and criminal justice) who plan on applying their expertise in public service.

Program Delivery

- Students will be able to complete this minor entirely online, or through a combination of online and in-person courses. The majority of PUAD courses are offered in an online format; however, several PUAD elective courses are regularly offered in-person.
